Toshiba business laptops now fit into four new categories, making it easier to select a model with the features and benefits that best suit your needs.

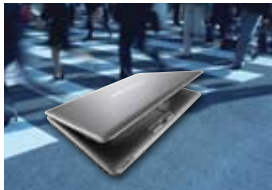

### EVERYDAY COMPUTING

Where price matters. A wide range of 15" widescreen business laptops with many of the latest technology features. **From £279 EX VAT.**

### BIG SCREEN

Where bigger is better. Our range of 17" widescreen laptops make business and leisure applications larger than life. **From £389 EX VAT.**

### THIN, SMALL, LIGHT

Where size matters. A range of 12", 13" and 14" widescreen models. High on innovation, low on size and weight. For the truly mobile user. **From £449 EX VAT.**

### PEN COMPUTING

Dual purpose mobile computing with keyboard, pen and touch screen options. With our unique twist screen technology, simply twist and write or twist and type. **From £999 EX VAT.**

## > PORTÉGÉ R500

	Spill Protection Keyboard	Sealed keyboard to provide resistance to liquid spills. Giving valuable time to save data and seek assistance.	✓ 100cc	✓ 100cc	✓ 100cc		✓ 100cc
	Magnesium Casework	Alloy casework that ensures robustness while providing the light weight required from a laptop computer	✓		✓	✓	✓
	PC Diagnostic Tool	Specially developed Toshiba software that provides one-touch system diagnostic as well as detail system configuration	✓	✓	✓	✓	✓
	Data Backup	Backup your data to protect it against accidental loss and store your backup copies on external hard drive, CDs, DVDs, or some other storage format	✓	✓	✓	✓	✓
<b>CONNECT</b>	Intel AMT	AMT (Active Management Technology) is part of Intel's Centrino® VPro Offering. Designed to Discover, Heal and Protect laptops in the event of failure and threats. Management SW required to support AMT	✓		✓		
	Dedicated Port Replicator	Port Replicator to charge laptop or for simple connection to keyboard, mouse and displays	✓	✓	✓		✓
	Powered USB	Powered USB Port to provide charge for third party devices. Powered USB provides power on Off, Suspend and Standby modes.		✓	✓		✓
	ConfigFree™	Toshiba software that allows users to quickly and easily set up a network connection, troubleshoot connectivity problems and capture a complete set of location settings for easy, one-button usage	✓	✓	✓	✓	✓
	Diversity Antenna	Toshiba innovation (2 Wi-Fi™ antennae and 1 Bluetooth™ antenna in laptop lid - depending on model) that provides optimum Wi-Fi™ signal reception for consistent wireless connectivity	✓	✓	✓	✓	✓
	Easy Fix Components	Easy to access and exchange components, such as memory, hard drive, modem, Wireless LAN and Bluetooth™ modules can save maintenance cost and minimise system downtime	✓	✓	✓	✓	✓

\*Device Access Control is only available on request. Please consult your Toshiba authorised reseller for more information. Please note that Toshiba EasyGuard features may vary depending on the laptop model. Please consult your Toshiba authorised reseller for more information.

## > GLOSSARY

### **Active Notification**

Receive e-mails using 3G connection even when the laptop is on standby

### **Biometric Security**

Fingerprint access for system, folders and files without having to remember passwords

### **Dedicated ATI or nVidia Graphics**

Superior graphics quality and performance for demanding applications

### **Dedicated Docking**

Express Port Replicator to charge laptop or for simple connection to keyboard, mouse and display

### **DVD Super Multi Dual Layer**

Read and write to many CD and DVD formats, including dual layer for extra storage

### **EasyGuard Technology**

Security, protection and connectivity features, including spill-resistant keyboard and strengthened casing to survive knocks and drops

### **Edge Display System**

Sub-LCD provides alerts of incoming e-mails and calendar appointments

### **Extended Battery Life**

Battery life of up to 8.5 hours – enough power for full working day with optional extended battery (depending on model)

### **Fast Gigabit Ethernet**

10/100/1000Mbps Ethernet for higher bandwidth, resulting in faster network connectivity.

### **Hard Drive Protection**

Built-in sensor protects hard disk from damage if laptop is knocked or dropped

### **Hard Drive Storage**

Range of hard drive capacities to store files, documents, videos and archived information

### **Intel and AMD Processors**

Wide range of processor options from value to latest dual core (two processing cores in one for greater power and efficiency)

### **Intel Celeron® or Intel Pentium® Dual-Core**

Intel Celeron® for value and Intel Pentium® Dual-Core for better performance and longer battery life

### **Intel Centrino® With VPro Processor Technology**

Intel's premium mobile processors for optimised power and efficiency with Active Management Technology for remote management support

### **Intel Core™ 2 Processors**

Intel's premium mobile processors for optimised power and efficiency.

### **Intel Ultra Low Voltage Core™ 2 Duo Processors**

Intel's ultra efficient mobile processors for optimised battery life and performance

### **International Warranty**

Worldwide warranty that includes 'collect and return' in UK and Ireland

### **Keyboard, Digital Pen & Touch-Screen Input**

Choose between typing with keyboard, writing with digital pen or navigating with your fingers on display

### **Non-Reflective Display**

Designed to minimise reflected light and reduce glare for better screen clarity

### **Reliability Refund Guarantee**

If your laptop fails in warranty, get it repaired or replaced and we will also give you your money back

### **Solid State Drives**

Solid state drives provide better reliability, faster access time and more power efficiency

### **Transflective Display**

Allows for easy viewing in different lighting conditions - indoors or outdoors

### **TruBrite® Display**

Richer colours for better viewing, clearer pictures and sharper text

### **USB Sleep Charge**

Charge USB devices, such as phones, even when laptop is in sleep mode

### **Webcam**

High resolution webcam with built in microphone option – ideal for web calls

### **3G HSDPA Broadband**

Built-in mobile broadband with fast speeds of up to 3.6 megabits per second

### **3GB Memory**

Up to 3GB of memory as standard on selected machines for faster handling of large amounts of data and memory hungry applications
